

Monitor Barns Farm CSA

Enjoy Farm Fresh Vegetables Year Round!

Summer Share

- 20 weeks of vegetables from June to October.
- Beautiful pick-your-own garden.
- Enjoy weekly newsletter with recipes, farm updates, and special events.
- Vegetables grown using natural practices, free of chemical pesticides and herbicides.

Fall Share

- One time pick-up of fall storage crops.

Pasture-Raised Poultry Share

- Our chickens are raised by VYCC interns on the beautiful pastures behind the West Monitor Barn. Enjoy fresh chickens all summer.

**** NEW ****

Frozen Vegetable Winter Share

- Enjoy farm vegetables all year long! Vegetables are picked during the season and processed in our kitchen at the VYCC. Five monthly pick-ups from November to March.
